Re: Standard Marijuana Cultivation Facility #10048

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.**

- **MJ-00 Application Certifications**
  - The context of "Licensee" on page 1-section1 is the name of the applicant in this case Tok Heavenly Cannabis, LLC. Please correct and initial.
  - Page 3: both check boxes were initialed, but only one should apply. Please correct accordingly.

- **MJ-01 Operating Plan**
  - The context of "Licensee" on page 1-section1 is the name of the applicant in this case Tok Heavenly Cannabis, LLC. Please correct and initial. Also, the premises address shows 1308.5, but you stated over the phone that it is 1308.
  - Page 11: FYI, marijuana handler permits are issued by AMCO enforcement upon the applicant submitting online application, a certificate of completion from an approved course provider, and supplemental documents.
  - Page 12-first box: please expand upon your answer and describe how you will store the marijuana waste during the three-day "waiting period" **before** rendering it unusable and disposing of it. How are you going to dispose of liquid waste? Also, incineration of waste on the marijuana establishment premises is not allowed, please remove it from your plan.
  - Page 13: incineration of waste on the marijuana establishment premises is now allowed, please remove it from your plan.

- **MJ-02 Premises Diagram**
  - The context of "Licensee" on page 1-section1 is the name of the applicant in this case Tok Heavenly Cannabis, LLC. Please correct and initial.
  - On the diagram that shows the layout of the building please clearly show the following:
    - Licensed premises (use one color)
    - Restricted access areas within the licensed premises (use different color).
    - Camera placements
    - Surveillance room
    - Entrance(s)

        - Exit(s)

- **MJ-04 Cultivation Supplemental**
    - The context of "Licensee" on page 1-section1 is the name of the applicant in this case Tok Heavenly Cannabis, LLC. Please correct and initial.
    - Page 4-first box: when you say that you will take the collected root systems (is this supposed to be stems?) to an area on the other side of your property. Is this other area within the licensed premises? Also, incineration of waste on the marijuana establishment is not allowed, please remove it from your plan.

- **MJ-07 Public Notice Posting Affidavit**
    - The context of "Licensee" on page 1-section1 is the name of the applicant in this case Tok Heavenly Cannabis, LLC. Please correct and initial.

- **MJ-08 Local Government Notice Affidavit**
    - The context of "Licensee" on page 1-section1 is the name of the applicant in this case Tok Heavenly Cannabis, LLC. Please correct and initial.
    - Is the land where the proposed marijuana establishment is going to be federal land? Or under the jurisdiction of the federal government?

- **MJ-09 Statement of Financial Interest**
    - The context of "Licensee" on page 1-section1 is the name of the applicant in this case Tok Heavenly Cannabis, LLC. Please correct and initial.

- **MJ-12 Petition**
    - The appropriate petition for areas with no local government was not submitted. You can find that petition on our website, under miscellaneous forms here https://www.commerce.alaska.gov/web/amco/MarijuanaLicenseApplication.aspx . Please carefully read the instructions, all the pages and supporting documentation must be submitted.
    - The page with the nine signatures you submitted is invalid (residents need to know what they are signing for, and the proposed licensee's signature does not count for this purpose).

- **Publisher's Affidavit**
    - Is Fairbanks the closest area where the newspaper ad could have been published?
    - What about radio ad?

- **Proof of Possession for Proposed Premises (corrections must be initialed by the lessor)**
    - Per our conversation over the phone, please provide an amended or updated lease to show the correct address of the proposed marijuana establishment as indicated on your application. Also, the lease needs to include the building that Tok Heavenly Cannabis, LLC is leasing from the lessor.
    - Additionally, please have the landlord incorporate the following to the lease (usually under "Default" section):
        - The lessor will not remove from the premises or take possession of marijuana, and AMCO enforcement will be contacted.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee. Call me if you questions.

Sincerely,

Jane Sawyer, Occupational Licensing Examiner
