2012 INTERNATIONAL BUILDING AND FIRE CODE

Dear Mr. Funk:

Plans for remodeling the subject facility have been reviewed by this office for conformity with the State Fire Safety Regulations and are hereby approved as submitted. Enclosed is a certificate of approval that must be posted on the premises until completion of all remodel work. **After completion of the construction you must schedule a certificate of occupancy inspection prior to opening.** Any changes to the approved plans must be submitted to this office for review and approval.

NOTE: Additional fire safety must be observed during the remodel.

Approval of submitted plans is not approval of omissions or oversights by this office or noncompliance with any applicable regulations of the Municipal Government. The plans have not been reviewed for compliance with the federal Americans with Disabilities Act or structural requirements.

It must be understood that the inclusion of and compliance with State Fire Safety Regulations does not preclude the necessity of compliance with the requirements of local codes and ordinances.

If we can be of further assistance in this matter, please feel free to contact us at the address below.

Sincerely,

Donald Cuthbert
Fire Code Official
