Re: Standard Marijuana Cultivation Facility #11488

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.**

- **MJ-01 Operating Plan**
  - Page 1-section 1: Please complete the name of the licensee (you are missing the LLC)

- **MJ-02 Premises Diagram**
  - On MJ-01, page 6, you state that your residence is co-located to the proposed marijuana establishment. Please show this on the diagram you submitted.
  - On the diagram you submitted, please very clearly show the following:
    - Licensed premises (use one color)
    - Restricted access area(s) within the licensed premises (use different color)
    - Camera placements
    - Surveillance room
    - Entrance(s)
    - Exit(s)

- **MJ-04 Cultivation Supplemental**
  - Page 5: please re-review 3 AAC 306.455 and expand on your answer to this question. For example, I do not see where you talk about segregation.

- **Proof of Possession for Proposed Premises (corrections to the lease must be initialed by the lessor/landlord).**
  - The tenant on the lease is Alaska Tasty Cannibas. Please provide a lease where Alaska Tasty Cannabis, LLC is the tenant which is the company applying for the marijuana establishment.
  - Please have the lessor/landlord incorporate in the lease that the lessor/landlord will not remove from the premises or take possession of marijuana, and AMCO enforcement will be contacted.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Jane Sawyer, Occupational Licensing Examiner

Erika McConnell, Director
