Review the requirements under 3 AAC 306.520, 3 AAC 306.525, and 3 AAC 306.560.
Attach a completed copy of this page for each proposed marijuana concentrate or marijuana product.

Product Name:	Canna Caps		
Product Type:	Edible		
Perishable: Yes/No	Yes	**Shelf Life:** If perishable.	Up to 2 year.

Product Description: Details must include the color, shape, and texture.	Our Cannabis-infused capsules will contain an individual 5mg serving. Cannabis-oil, infused with Coconut-oil will be injected into vegetable-based gelatin capsules. The product's color will range from golden yellow to dark brown. The Cannabis-infused oil will take on the shape of the capsule and will have a soft, oily texture.
Ingredients: This box is not applicable to marijuana concentrates.	1. Decarboxylated Cannabis Oil 2. Coconut Oil 3. Lecithin
Standard Production Procedure and Detailed Manufacturing Process:	Heat will be applied to the Coconut oil to render it in liquid form. Lecithin is then added to the liquid Coconut oil. Decarboxylated Cannabis oil is heated and combined with Coconut oil and mixed together in a manner ensuring even distribution. The final product will be placed into individual gelatin capsules and packaged together.
Depiction: Provide a photograph, drawing, or graphic representation of the expected appearance of the final product.	**Cannabis-infused Capsules**

Alaska Marijuana Control Board

Form MJ-15d: Previously Approved Edible Product THC Limit Change

What is this form?

This form is required for all licensed marijuana manufacturers seeking to add the option of 10 milligrams (mg) per serving/100mg per package to their licensed manufacturing facility's currently approved products' THC content limit as described under 3 AAC 306.560, unless otherwise approved by the board.

The required $250 change fee may be made by check, cashier's check, or money order.

This form is the only required application to solely add the option of 10mg THC per serving/100mg THC per package (individual servings in a package may not be greater than 10 mg) to any of your current approved marijuana edible products. If any other changes are being requested, they must be requested on form MJ-15: Operating Plan Change.

This form must be completed and submitted to AMCO's main office prior to changing THC content in edibles. The licensed manufacturer's production of their currently approved edibles containing THC may not be altered unless and until the director has given approval.
