Good Afternoon Mr. Bott,

Apologies, I got my terminology mixed up. For corporations we would need your bylaws if you have them. Also thank you for the clarification on the restricted areas on your diagram, if you could just highlight the wording when you complete the additional corrections that would be appreciated – I just want it to be clear for the enforcement team and the board.

Thank you for all the quick correspondence.

Best Regards,

Mark Bailey

Mr. Bailey,

As for your request for the "corporate operating agreement", I believe that we submitted the articles of incorporation, as well as the certificate of incorporation for Greenstar Inc. , I am curious as to exactly what you are requesting, as a "corporate operating agreement" is for an LLC, as opposed to a sub chapter S. Greenstar Inc. is a sub chapter s.

I will forward another copy of the articles of incorporation, bylaws, or organizational meeting minutes. What documentation do you require?

Thank you,

Jason Bott
