Re: Standard Marijuana Cultivation Facility #12872

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.**

- **MJ-00 Application Certifications**
  - On page 1 of both MJ-00's, please correct the check marks that appear in both boxes at the beginning of section 3 to reflect your answer.
- **MJ-02 Premises Diagram**
  - Please delineate the border of the licensed premises as well as the note on the diagram the restricted areas.
  - Please note the location of the security cameras.
  - Please provide an aerial diagram showing the proposed licensed premises and surrounding area.
- **Proof of Possession for Proposed Premises**
  - Please have your lease state the property's use is for a marijuana cultivation facility, "commercial activity" is too vague.
  - Please include a clause in relation to defaults stating that the landlord/lessor may not seize marijuana or marijuana products and must contact the AMCO office for guidance.
- **Entity Documents**
  - Please provide your corporate operating agreement.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Mark Bailey, Occupational Licensing Examiner
