That is correct. I will go tell enforcement they do not have to process Bill's MJ-18

Good Afternoon Mark,

I just checked the PFD status online for Dayle and Bill, and the PFD information and they have updated the status to "Eligible" is a MJ-18 still required?

Thank you!

Hi Mark and Jane,

Bill (owner of Will's World, LLC) spoke with the PFD office today and they told him that it would take them up to 2-4 weeks to process the signature pages. Are the submitted signatures pages sufficient enough for AMCO to complete this application to get us on the July agenda? They have filed for the PFD the past 2 years, and this year they filed online but the signature pages hadn't been sent in.

Please let us know if this will work for AMCO to deem this application complete or if there is another route you would like us to take while we wait for the 2-4 week period.

Thank you so much!
