Re: Response to Incomplete Letter for Wills World, LLC License No. 12448

AMCO Team:

Thank you for your correspondence dated May 30, 2017. Please find the following attachments and/or statements to address your incomplete items:

- Page 4 of MJ01: the term "Caretaker" referenced in box 3 is referred to as an employee who will live on site 24/7 when needed if the owner shall be out of town or unavailable. The caretaker will be an employee of Wills World and will have their marijuana handlers card.
- MJ-08: Please see the attached correspondence between Timothy Breeden, Gateway Community Council Treasurer and I, stating that the location is just outside of the CC boundary. As marked on the map, this location currently sits just outside of a no community council zone. We have put Gateway CC as our CC as it is the closet CC to the facility.
- PFD Status – Please find the attached signature pages of the PFD application that were submitted via fax May 31st, 2017, as well as the reciept.

Thank you for your consideration,

*Jana D. Weltzin, Esq.*

Thank you for the notice. It appears that 12151 E PALMER-WASILLA HWY is just outside the current CC boundaries according to the latest map published ont the MSB website.

Hello! Please find attached public notice for a new limited marijuana cultivation – the community council map online is a little tough to decipher so I think this facility is in your community council but if not please let me know.

Thanks again,
