Good afternoon;

I have reviewed the corrected application for the retail marijuana store. All except MJ-02 just needs one more detail. I have attached the MJ-02 that you submitted with your corrected application, it is a good diagram, just needs one more thing.

You need to clearly outline the licensed premises. Also, is the upstairs utility corridor part of the licensed premises?

Please know that this email does not extend the 90 day deadline indicated on the original incomplete letter.

Thanks
