Good Morning Barbara,

I reviewed your submitted documents and just have a few more items.

- MJ-00
  - On page 3 you initialed both boxes. Please read the instructions and correct page 3.
- MJ-02
  - Restricted areas must be inside the licensed premises, please correct your diagram to enclose all restricted areas within the licensed premises border.
- POPPP
  - Please include two clauses clarifying a couple items
  - Include a statement saying the lease of the location is for the purposes for a retail marijuana establishment, please correct the first paragraph, section 19, section 20, and section 28 to reflect this.
  - Include a clause stating marijuana left on the property will not be seized by the landlord until after contacting the AMCO office for further instruction.
- Removal of Kelly Paschall
  - In order to facilitate this, we will have to move the status of the application to “new”.
  - Once the status is changed to “new”, remove Kelly as a licensee from the online application.
  - Re-notify your local government and complete a new MJ-08.

If you have any questions about the above list feel free to give me a call at (907) 269-0358

Best Regards,
