Re: Affidavit regarding error in Catalyst Cannabis legal notice

For our May 31-June 6 issue of the Anchorage Press, Catalyst Cannabis purchased a legal notice advertisement that was meant to correct an error in a legal notice printed in the April 12, 19 and 26 issues of the Press — errors that were the fault of our publication and not Catalyst Cannabis.
Unfortunately, the correct ad did not run in the May 31-June 6, either, which, again was the fault of the Anchorage Press and not Catalyst Cannabis.
Proof of this ad purchase and proper ad copy can be made readily available upon request.
When our next edition prints on June 7, we will make doubly sure the correct Catalyst Cannabis legal notice is printed.

Re: Public Notice For License Numbers 10284 and11638 May 24, 2018

Dear Marijuana Control Board:

Due to errors that resulted in previous public notice advertisements not running in their entirety, Will Schneider of Catalyst Cannabis Company contacted our office about running a corrected public notice advertisement. On Friday May 18, Mr. Schneider submitted copy for two public notice ads that were to run in the Anchorage Press on Thursday, May 24. While that would usually be sufficient lead time to run these ads, unfortunately, due to unforeseen problems with our new classifieds/legals system, we were not able to run the requested public notice ads on May 24, 2018 as we had intended. The public notice ads will instead run in the very next edition of the Anchorage Press on May 31, 2018.

The public notices that will be published are as follows:

Ad For Retail 11638:

Interested persons may object to the application by submitting a written statement of reasons for the objection to their local government, the applicant, and the Alcohol & Marijuana Control Office (AMCO) not later than 30 days after the director has determined the application to be complete and has given written notice to the local government.
