Re: Comment on 3 AAC 306 The Marijuana Control Board proposes to adopt regulation changes in 3 AAC 306 of the Alaska Administrative Code, dealing with public notice of license applications

Dear Honorable Marijuana Control Board Members,

The Marijuana Control Board proposes to adopt regulation changes in 3 AAC 306, dealing with public notice of license applications, We support this change as written. This change is proposed to be amended to define "newspaper of general circulation." Offering both regulation language cleanup as well as easing some of the burdens this regulation requirement creates in places such as rural areas of Alaska. In addition, it provides more flexibility when it comes to the use of which media an Alaska cannabis licensee may utilize to publicly notice their business. Thank you AMCO staff and the Marijuana Control Board for your hard work, time, and dedication to our Industry.

Respectfully,

On behalf of the AMIA Board of Directors:

Ryan Tunseth
