Re: Comment on 3 AAC 306 The Marijuana Control Board proposes to adopt regulation changes in 3 AAC 306 of the Alaska Administrative Code, dealing with application renewal requirements

Dear Honorable Marijuana Control Board Members,

The Marijuana Control Board proposes to adopt regulation changes in 3 AAC 306, dealing with application renewal requirements. We support this change as written. We view this change as beneficial for both licensees as well as AMCO staff. It reduces the amount of time staff will have to spend on data processing for application renewals, while streamlining the application process for licensed businesses. Additionally, this change does not diminish your ability to request proof of right of possession. Thank you for the opportunity to comment on this proposed regulation change.

Respectfully,

On behalf of the AMIA Board of Directors:

Ryan Tunseth
