Re: Limited Marijuana Cultivation Facility #12398

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

- **Entity Officials**
  - As discussed on our phone call, with Tena being an employee you will need to remove her from Entity Officials. We will "roll back" your application to "New" status to accommodate this. Notify marijuana.licensing@alaska.gov once you have completed this step.
- **MJ-01 Operating Plan**
  - For your answer on page 2, section 2 in regards to admitting and escorting visitors, please refer to 3 AAC 306.710(b) for more detail in your answer.
  - Edit references pertaining to your wife being co-owner
- **MJ-02 Premises Diagram**
  - On your diagrams please demarcate in color the boundary of the licensed premises and the restricted area.
  - Please provide an aerial image of your proposed licensed premises and the surrounding area.
- **MJ-07 Public Notice Posting Affidavit**
  - On page 1, section 2 the end date field is left blank.
- **Proof of Possession for Proposed Premises**
  - Please provide a deed or binding legal document showing clear ownership of the property under your name.
  - If the property is jointly owned by you and your spouse, please provide a legally binding lease from you jointly to you as the licensee. The lease must allow Marijuana Establishments. Please include a clause stating the landlord cannot take possession of the Marijuana on the premises, and that AMCO will be notified.
- **MJ-18 Applicant Residency Verification**
  - Please complete an MJ-18 for Dennis Humphrey, or contact the PFD office to validate your eligibility.
- **MJ-08 Local Government Notice**
  - Notify your Local Government again once Tena has been removed.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Mark Bailey, Occupational Licensing Examiner
