Re: Limited Marijuana Cultivation Facility #12523

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.**

- **MJ-00 Application Certifications**
  - On section 3 on all three MJ-00's the Yes box was checked but no information was provided. Please clarify this.
- **MJ-01 Operating Plan**
  - On page 12 in the top box you mention "Run off water during inventory preparation". Please clarify on this so the board may know what exactly the step would be that could produce such run off since you mention little to no run off production from watering the plants.
- **MJ-02 Premises Diagram**
  - Please check the yes or no box on page 1.
  - Please provide a complete scan of your diagram. The copies we have are either cut off at the border or not the most recent copy.
- **MJ-07 Public Notice Posting Affidavit**
  - Please have a complete notary signature done.
- **Publisher's Affidavit**
  - Please provide a signed publisher's affidavit from the newspaper you advertised in.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Mark Bailey, Occupational Licensing Examiner
