Re: Notice of Violation - Green Go LLC, #10959

To: Davies, Jason M (CED)

Hello,

We are sorry for the smell. We are going to change out our filters again and order maintenance on our units to see if they are running to the best of their ability. We are currently in the process of building a new state of the art facility that hopefully won't have the same problems as this older building does. I am trying everything we can to help with he small. Again, we apologize for the smell issue and are going to be getting new filters and maintenance for the building and the air scrubbers.

Thank you,

Fuzzy Millhouse

Hello,

Thank you for reaching out to us. We had just changed our air filters last month. I will change them again. I don't know if its because the building is old and might be leaking some smell or if its something else. We are currently in the process of building a new cultivation facility and plan to move there when its approved. This new building and new location will be state of the art and should have no smell issues whatsoever.

Thank you,
Fuzzy Millhouse
