  - Page 10 mentions "marijuana products". This is an application for a cultivation facility which should not have marijuana products in its inventory. To avoid any confusion, please replace/remove that term accordingly.

  - Page 15, first box, mentions "marijuana products". This is an application for a cultivation facility which should not have marijuana products in its inventory. To avoid any confusion, please replace/remove that term accordingly.
  - Page 15, second box, the word "Altered" after "AMCO" is that supposed to be "Alerted". Please correct accordingly.

  - On the diagram(s) submitted show the following:
    - The fence you mention your operating plan
    - Licensed premises
    - Restricted Access Areas within the licensed premises (you stated the entire facility will be restricted access area which is fine but just make note of it on the

diagram. However, make it clear whether the fenced in area will be licensed premises.)
    - Entrance(s)
    - Exit(s)

- **MJ-04 Cultivation Supplemental**
