Re: Retail Marijuana Store License #13119

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.**

- **MJ-01 Operating Plan**
  - Page 12, first box: please expand upon your answer and describe how and where you will store the marijuana or marijuana product waste during the three-day waiting period in which you notify enforcement **before** rendering it unusable and disposing of it (waste should be stored in a restricted access area). Also, please make a reference that you understand the three-day notice to enforcement must be given before rendering the marijuana or marijuana product waste unusable and disposing of it.
  - Page 15, first box: please re-review 3 AAC 306.750 and elaborate further on how your establishment will comply with this regulation. Keep in mind that our current regulations allow retail stores to transport only to another retail store.

- **MJ-02 Premises Diagram**
  - On the diagram submitted, please clearly show the following:
    - Outline of what the licensed premises will be (use one color)
    - Outline of what the restricted access area(s) will be (use different color)
    - Please label what appears to be cabinets you have against the wall (what are they?). If you are storing, stocking, or dispensing for sale marijuana or marijuana products from here, it is not allowed, they need to be inside a restricted access area (behind the counter area).

- **Proof of Possession for Proposed Premises (any corrections made to the lease must be initialed by the landlord/lessor)**
  - The lease makes a couple of references of allowing you to conduct a retail marijuana business which is what we are looking for. However, the regulation that is cited for Retail Marijuana Store is incorrect.
  - Please have the landlord/lessor include a disclaimer that the landlord/lessor will not remove or take possession of marijuana or marijuana products, and that AMCO enforcement will be contacted (usually under default or repossession of premises).

- **Entity Documents**
  - Please provide Rebel Roots, LLC's operating agreement.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Respectfully,

Jane Sawyer, Occupational Licensing Examiner
