RESIDENCY VERIFICATION

Edna Beuhler

DOB: 12/7/55

Reviewing Edna Beuhler's residency verification she lists her absence from Alaska as "Gone for winter."

For the Calendar year of 2022 Beuhler noted that she was absent from January 1st through May 31st and again from November 1st though January 31st. Edna was out of the state for 212 Days and in state 153.

I spoke to Beuhler on 7/17/23, She verified that this time period was correct. I then told her that the Marijuana Board would have to decide whether she is allowed to retain her license. She asked when the next board meeting is and I referred her to our webpage. She then hung up on me before I could get any more information. From residency verifications from past years she has told me that she snowbirds between Arizona and Alaska.

Edna was absent from the State of Alaska for more than 180 days and has no qualifying "Allowable Absences."
