Re: Standard Marijuana Cultivation Facility #11605

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.**

- **MJ-01 Operating Plan**
  - On page 1, please clarify your mailing address. On your public notice, the mailing address is 10385 Dock St.
  - On page 13, please clarify your ratios for waste. The way the sentence reads it can be taken that you will use three parts marijuana waste to one part expired medium. On page 12 you do mention "at least equal parts" so it may be best to make this consistent.
- **MJ-02 Premises Diagram**
  - Please provide the full building layout including non-licensed areas such as the 3rd floor, and then please designate licensed and restricted access areas on the floor plan diagram.
- **MJ-07 Public Notice Posting Affidavit**
  - Please post your public notice for the full 10 days as required on the form.
- **Proof of Possession for Proposed Premises**
  - Please amend your lease to include the intended use of the premises.
  - Please additionally add an amendment stating that the landlord may not seize marijuana or marijuana products and will notify AMCO
- **Entity Documents**
  - Please provide your operating agreement for your LLC
- **MJ-18 Applicant Residency Verification**
  - Residency could not be verified for Casey Wilkins in the PFD system. Please complete an MJ-18 and return it to our office. In the future, applying for the PFD will ease the process for verifying your residency yearly.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Mark Bailey, Occupational Licensing Examiner
