Re: Standard Marijuana Cultivation Facility License #14073

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.**

- **MJ-01 Operating Plan**
  - Page 4, first and second box: what does "OH" mean in "OH doors and window".
  - Pages 6, 11, 12, and 15: will you please submit the pages with a smaller text size or additional pages. The answers get cut off when we convert the forms into non-fillable PDFs.

- **MJ-02 Premises Diagram**
  - The storage of marijuana concentrate (blue box in the mezzanine), and the storage of marijuana product (yellow box in the mezzanine) are not allowed in what will be the licensed premises of the cultivation facility. These two rooms are considered non-contiguous to be part of the licensed premises of the retail store and the concentrate facility respectively.

- **MJ-04 Cultivation Supplemental**
  - Page 4, first box: will you please submit the page with a smaller text size or additional page. The answer gets cut off when we convert the forms into non-fillable PDF.
  - Sample label: the warning statement of "For use by adults…" is missing the "only". Please correct it.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Respectfully,

Jane Sawyer, Occupational Licensing Examiner
