Re: Standard Marijuana Cultivation Facility #14477

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.**

- **Residency**
  - Please have Grant Anderson verify his eligibility with the PFD office for 2017.
- **MJ-01 Operating Plan**
  - On page 1, the mailing address has a typo.
  - On page2, the wording of your visitor escort ratio of "visitor to escort ratio not to exceed 1:3" can be confusing and lead the board to believe that it will be 3 employees per 1 visitor. You may want to reword for clarity.
  - On pages 4, 7, 12, 13, and 15 you have what seem to be auto-correct errors for words "IOT" and "IAW".
  - On page 7 in the top box, your first bullet point seems to be more geared for a retail store with mentions of registers and a behind the counter area. Please clarify this to be specific for cultivation facilities.
- **MJ-02 Premises Diagram**
  - Please provide an aerial image of the property with an approximate location of the building.
- **MJ-04 Cultivation Supplemental**
  - On page 4 there is another "IOT" typo.
- **Proof of Possession for Proposed Premises**
  - Please include an amendment stating the landlord may not seize marijuana in the case of the landlord taking possession of the property and will notify AMCO if the case arises.
- **Entity Documents**
  - Please provide your operating agreement for your LLC

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Mark Bailey, Occupational Licensing Examiner
