This is a notice to you as a licensee that you are being issued a notice of violation for the purposes described in 3 AAC 306.806(e). A description of the violation is as follows,
NOTE: This is not an accusation or criminal complaint.

On 05/20/2025 AMCO Investigators Linger and Hamilton visited your establishment, The Herbal Cache, LLC, License #19277. While talking to employee, Philip Hawkins, an unidentified woman, later identified by Hawkins, entered the front door, walked to the roped off section of the counter and removed it so she could walk behind the counter and enter the back room where product is stored. No ID was requested by Hawkins or shown by the woman. The woman then exited through the back door. Investigators looked at Hawkins handler permit and said they would need to see hers as well. Hawkins stated she did not work for the business, but instead worked for the laundrymat next door. Hawkins stated she was dropping off a key and does this several times a week, but usually comes to the back door. Investigator Hamilton requested to see the visitor log and did not see her name on it. Hawkins reviewed the visitor log and confirmed she was not signed in, and stated she never signs in when entering the restricted access area. Your attention is brought to 3 AAC 306.710. Restricted access areas.

3 AAC 306.710. Restricted access areas
(a) A marijuana establishment shall restrict access to any part of the licensed premises where marijuana or a marijuana product is grown, processed, tested, stored, or stocked.
(b) Except as provided in 3 AAC 306.325 for a retail marijuana store, each entrance to a restricted access area must be marked by a sign that says "Restricted access area. Visitors must be escorted." A marijuana establishment shall limit the number of visitors to not more than five visitors for each licensee, employee, or agent of the licensee who is actively engaged in supervising those visitors.
(c) In a restricted access area, a licensee, employee, or agent of the marijuana establishment shall have on display, either on the person or in a readily accessible location on the licensed premises, a current identification badge bearing the person's photograph. A person under 21 years of age may not enter a restricted access area. Any visitor to the restricted access area must
(1) show identification as required in 3 AAC 306.350 to prove that person is 21 years of age or older;
(2) obtain a visitor identification badge before entering the restricted access area; and
(3) be escorted at all times by a licensee, employee, or agent of the marijuana establishment.

Dear AMCO Enforcement,

This letter pertains to AMCO Case # AM 25-0654, The Herbal Cache LLC #19277

As the sole proprietor of this business, I take full responsibility for the incident that took place on 5/20/25 and do not contest this violation.

The woman who entered the restricted access area is the sole employee of the laundromat, which is housed in the same building as The Herbal Cache. Both businesses share the same owner, and consequently the same safe for secure storage of keys. The safe is housed in a restricted access area, and the usual procedure for key handoff is for the laundromat employee to hand keys to an employee of The Herbal Cache without accessing the restricted access area. I believe there was a misunderstanding regarding whether the laundromat employee was also a technical employee of The Herbal Cache, hence the access to the restricted area without an escort or signing in.

This incident was unacceptable. Protocols for visitors and restricted access areas have been reviewed with all Herbal Cache staff, and I am confident that all employees completely understand the regulations. Changes have been made pertaining to the visitor ledger and badges, and they will now be kept at the entrance of the restricted access area for ease of access.

The laundromat employee has verbalized that she understands she is not allowed in the restricted access area, and the laundromat has acquired a safe to prevent the need for use of The Herbal Cache safe.

Thank you,

Brent Carse
