ALCOHOL MARIJUANA CONTROL OFFICE
STATE OF ALASKA

April 9th 2017

My family and I reside at 2405 A Maria St Fairbanks, AK 99709. It has been brought to my attention that there is a marijuana Cultivation facility trying to be astablished at 2515 A Maria St Fbks, AK 99709. I would Like to recommend that this is not allowed to happen. This is a residental neighborhood with children that live on almost every road. My children are 9 and 2, they play outside most days and the traffic is horrible as it is. The road is not a State maintained road and is already a mess as it is without all the extra traffic. We have people speeding in and out all times of the day that we have had to provide our own Slow down signs and Kids at play signs. I feel that if this is allowed the traffic and crime will rise higher than it already is and the safty of my children may be at steak. We don't need drug dealers in the neighborhood nor do we need people selling pot out of their home. Please do not allow this to happen in our ~~neighborhoor~~ neighborhood where im raising my children. They do not need to be exposed to this, nor should they have to deal with the extra traffic, crime, and other issues this will bring.

Thanks Mrs. Byrd
