Re: Great Alaskan Bud Company, LLC

To Whom It May Concern:

I strongly object to Great Alaskan Bud Company, LLC (the company) located at 2515 A Maria Street, Fairbanks, AK 99709 conducting business in my residential neighborhood.

There is one street (Nash) into and out of our residential area. Our roads are not Borough maintained. I fear for the extra traffic that the company will attract will cause more damage to our street. The structure where the company will conduct business is a small two bed, one bath tract house. The occupants have small elementary age children in the home. There is not room to grow inside without an occupant giving up their room and I fear it would be the children. Because growing inside the small house would not be feasible, growing could be done outside. If the company chose to grow outside, I would be fearful of theft and the attraction the marijuana it would bring to my neighborhood.

There are quite a few children who live off Nash and the Parks Highway (Maria Street). I have a 14 year old boy and would rather not expose him to such a business. During the summer, it is not unusual to see children riding bicycles and groups of children playing and enjoying the outdoors on Maria. Having any business in a residential neighborhood will bring people who do not live in the area. I fear for the children's safety and being hit by a car.

I do not object to a marijuana growing operation. However, I feel people growing on a commercial scale should do so in a leased or owned building, not where they reside, in a commercially zoned area. I also feel that our area is zoned residential and should stay that way. I know the house where the company will grow is too small for any kind of growing operation indoors.

Because of the lack of roads in and out, the damage extra traffic would create on Maria, the small tract house where the business is located, the children (theirs as well as my own and others) being hurt or exposed to a growing operation, and the operation growing in a residential area, I ask you to **reject** the Limited Marijuana Cultivation Facility license #12452 doing business as Great Alaskan Bud Company, LLC, located at 2515 A Maria Street, Fairbanks, AK 99709, United States.

Thank you for your consideration and your time.

Sincerely,

Sasha Strand
