Alaska Marijuana Control Board

Operating Plan Supplemental
Form MJ-03: Retail Marijuana Store

What is this form?

This operating plan supplemental form is required for all applicants seeking a retail marijuana store license and must accompany the **Marijuana Establishment Operating Plan (Form MJ-01)**, per 3 AAC 306.020(b)(11). Applicants should review **Chapter 306: Article 3** of the **Alaska Administrative Code.** This form will be used to document how an applicant intends to meet the requirements of those regulations. If your business has a formal operating plan, you may include a copy of that operating plan with your application, but all fields of this form must still be completed per 3 AAC 306.020 and 3 AAC 306.315(2).

What additional information is required for retail stores?

Applicants must identify how the proposed establishment will comply with applicable regulations regarding the following:

- Prohibitions
- On-site consumption
- Displays and sales
- Exit packaging and labeling
- Security

This form must be submitted to AMCO's main office before any retail marijuana store license application will be considered complete.

Section 5 – Exit Packaging and Labeling

Review the requirements under 3 AAC 306.345, and identify how the proposed establishment will meet the listed requirements.

Describe how the retail marijuana store will ensure that marijuana and marijuana products sold on its licensed premises will meet the packaging and labeling requirements set forth in 3 AAC 306.345(a):

The Green Store Connection has an integrated tracking and POS system that will allow for labels to be printed for each purchased product. The manger and licensee both will assure that the labels are correct as new inventory is received; this process will reduce human error. A label will be placed on each product; either one that is already packaged or one that is printed from the POS. Product will be packaged in opaque,resealable, child-resistant packaging and than placed in a paper bag to leave the store with.

Provide a sample label that the retail marijuana store will use to meet the labeling requirements under 3 AAC 306.645(b):

Section 6 – Security

Identification Requirement to Prevent Sale to Person Under 21 (3 AAC 306.350):

Describe the retail marijuana store's procedures for ensuring a form of valid photographic identification has been produced before selling marijuana or marijuana product to a person, per 3 AAC 306.350(a):

Each person will be asked to show a valid form of ID upon entering the store. The ID will be examined by an employee and again at the sales counter. Before a sale can be rang up, the birthdate will be entered into the POS. This second step at the POS assures no human error. Employees will receive training upon hire and every quarter in how to recognize a valid ID. Employees also receive training when they take their marijuana handlers card class. The Green Store Connection expects employees to check identifications 100% of the time.

I declare under penalty of perjury that I have examined this form, including all accompanying schedules and statements, and to the best of my knowledge and belief find it to be true, correct, and complete.
