This is a notice to you as a licensee that you are being issued a notice of violation for the purposes described in 3 AAC 306.806(e). A description of the violation is as follows,
NOTE: This is not an accusation or criminal complaint.

On 7-29-25, while waiting to initiate an inspection of your facility, Bud-tender David Westlake sold an ounce of marijuana to a R.A.R, a customer. After selling the ounce of Gumi #11, transaction 40062746 for $214.29, she purchased a 1/2 gram joint, transaction number 40062754 for $14.29, New York City Diesel; her mother was with her but did not purchase anything. He advised R.A.R. that he had to ring the transactions separately. (Separate transactions make it appear they don't sell more than an ounce in one transaction.) R.A.R. and her mother then departed the store. Contact was made with R.A.R. and her mother. R.A.R. stated she did pay for both purchases but the joint was for her mother. Bud-tender Westlake acknowledged he was aware a retail facility could not sell more than an ounce of marijuana to a customer.

Your attention is directed to 3 AAC 306.355. Limit on quantity sold: (a) A retail marijuana store may not sell to any one person per day (1) more than one ounce of usable marijuana; and 3AAC306.710(c) reads in part, "In a restricted access area, a licensee, employee, or agent of the marijuana establishment shall have on display, either on the person or in a readily accessible location on the licensed premises, a current identification badge bearing the person's photograph."

To the Director of the Marijuana Control Board Mr. Kevin Richards,

We received a Notice of Violation on 7/29/2025 for allegedly selling over one oz of flower to one person. However, we did not sell it to one person; we sold it to two different people. Which clearly shows on the receipts and verified verbally by our customers when approached by officers Linger and Hamilton.

The regulations clearly state:

3 AAC 306.355. Limit on quantity sold.

(a) A retail marijuana store may not sell to any one person per day (1) more than one ounce of usable marijuana; (2) more than seven grams of marijuana concentrate for inhalation; or (3) more than 5,600 milligrams of THC in combined sales of marijuana and marijuana products.

Due to this we feel this violation is not warranted as we did not violate any regulation.

There is no regulation that states the limit on quantity sold is based on who pays for it. Which is what the enforcement officers told me was the basis of the entire violation.

We would like to request an informal conference with the director under 3 AAC 306.844.

Please also redact the names of our customers on the receipts attached to NOV before making public on the agenda for the MCB meeting.

Thank you,

Dana & Joseph Giliam
