---

Good afternoon,

I have reviewed the corrections we received on 10/29/17. More work needs to be done:

- MJ-01 **(this time, only submit the pages, complete, but only the pages I need corrected).**
  - The diagram that you attached to MJ-01- remove the cameras. We are no longer requesting camera placements to be depicted on the diagram. You do have to have them, of course, but just not depicted on the diagram for the original application.
  - Page 5, first box- you mention the word "Owners" but there is only one owner listed, you. So, what do you mean by owners (plural).
  - Page 15, third section- AMCO does not "certify" any transportation company. So, I'm not sure what you mean by that, but there are no transportation companies that are AMCO certified. Please remove that.
- MJ-02.
  - The diagram still does outline the licensed premises and the restricted access areas within the licensed premises as requested on my incomplete letter. Call me if you have questions about this.
- MJ-04.
  - Page 4, first box- the answer to this box doesn't describe your marijuana waste disposal arrangements. Please describe.
  - There was no signature page on the new MJ-04 you submitted. Do you want me to use the signature page from the old MJ-04?
- MJ-07.
  - If you are going to submit a new MJ-07 instead of just clarifying it on the current MJ-07 you will need to sign it in front of a notary.
- Proof of Possession for Proposed Premises.
  - The marriage license and letter from Catherine does not suffice for proof of possession. Please provide a legally binding lease in which only Dan N VanZeen is who has right to possession of the proposed premises. The legally binding lease must include:
    - An acknowledgment from the landlord/lessor that the premises will be

used a marijuana establishment; and,

- A disclaimer that the landlord/lessor will not remove from the premises or take possession of marijuana, and AMCO enforcement will be contacted (usually under the "Default" section).

- Please do not send you cover pages in the body of the email. They are unusable that way.

Please note this email does not extend the deadline for you to have this application complete. The deadline is 12/18/17.

Thank you

Jane P Sawyer
