Good morning Lara,

I reviewed your corrections and everything appears to be correct. I am out of the office tomorrow the 5th and have a long list of other reviews I need to do before end of business today so I can't send the notices officially deeming you complete. Since everything is in line this is to inform you that I will be sending notices Monday morning, and you will still make the agenda January 24-26 MCB meeting.

I hope you have a great weekend!

Best Regards,

Mark,
Here is a copy of my renewed business license. Here is also a scan of Mj_07 and Mj_08 with a new notarized signature on each.

Thank you for being so helpful to get this correct!

For MJ-07 and MJ-08, could you either make the correction to the copy which has the notarized signature on it, or otherwise you can go have the new copies notarized. Either way the licensee field needs to be correct and we need a notarized signature.

Additionally it seems your business license expired with the new year so please renew that as well.

Mark,

I have attached the updated forms. I have also attached an aerial view of the property with the drawing added to it. I have also attached the lease amendment. I have also attached the copy of the ad run in the frontiersman provided by the publisher.
