Re: Limited Marijuana Cultivation Facility #14352

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.**

- **MJ-00 Application Certifications**
  - On page 3, please initial only one of the boxes that apply to you.
- **MJ-01 Operating Plan**
  - On page 2 please remove reference to AMCO staff from the requirements for the Visitor Policy. The director, an enforcement agent, an employee of the board, or a peace officer are not considered visitors when acting in official capacity.
  - On page 15, please change your reference to 'dispensaries'. Dispensaries deal with medical marijuana and are not in operation in the State of Alaska.
- **MJ-08 Local Government Notice Affidavit**
  - Please fill in the field in reference to the date the local government was notified.
- **Proof of Possession for Proposed Premises**
  - Please include an amendment in regards to the abandonment section along the lines of:
    - The Landlord attests that under no circumstances will they ever remove, or take possession of any marijuana or marijuana products from Tenant and that they will notify AMCO Enforcement immediately of any adverse action such abandonment, eviction, default, repossession, etc which may lead to Landlord taking possession of the leased premises.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Mark Bailey, Occupational Licensing Examiner
