Re: Retail Marijuana Store license #14083

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.**

- **MJ-01 Operating Plan**
  - Pages 2, 3, 4, 5, 7, and 15: will you please submit the pages with a smaller text size or additional pages. The answers get cut off when we convert the forms into non-fillable PDFs.
  - Page 13: just to clarify, the three-day notice to AMCO must be submitted in writing **before** the marijuana waste is rendered unusable and disposed of. Please notate that you understand that.
  - Page 19: Sample label: the warning statement of "For use by adults…" is missing the "only". Please correct it.

- **MJ-02 Premises Diagram**
  - The storage of marijuana or marijuana product for the retail store in the cultivation area (the yellow box in the mezzanine) is not allowed. Licensed premises associated with a single license must be contiguous.

- **MJ-03 Retail Supplemental**
  - Page 3: I am having a little bit of trouble matching your narrative in the box to the diagram. Will you please re-read your answer and amend your diagram accordingly, it mostly has to do with the restricted access line that runs through the MD counter.
  - Page 4, first box: please expand upon your answer and describe how your establishment will comply with 3 AAC 306.345(a)(3), exit packaging.
  - Page 4, second box: the warning statement of "For use by adults…" is missing the "only". Please correct it.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Respectfully,

Jane Sawyer, Occupational Licensing Examiner
