MEMORANDUM

TO: Chair and Members of the Board

DATE: October 2, 2018

FROM: Erika McConnell
Director, Marijuana Control Board

RE: Stoned Salmon Farms #11605

Stoned Salmon Farms, a standard marijuana cultivation facility, is requesting approval of amendment(s) to its operating plan. Attached is MJ-15 Operating Plan Change application, and current operating plan/supplemental. The licensee is adding some fertilizers/chemicals for use in their cultivation facility.

I recommend the board approve this change with delegation pending review by DEC, and give me the authority to remove from the applicant's requested list those chemicals/fertilizers determined by DEC not to meet criteria for use on marijuana.
