Dear Marijuana Control Board Members:

Enclosed is Alaska Boys LLC, Marijuana Handlers Permit training program for your review and approval.

Alaska Boys LLC members include Dale Fox and Sergio Infanzon. While new to Alaska marijuana training (as is everyone) we have extensive experience with training of Alaskan adults for both food safety and alcohol server training. Dale Fox has over the last 15 years managed both in person and online Alcohol Server Training statewide, serving over 120,000 students. Further he was the primary author of the Training for Alcohol Professionals (TAP card) program. Sergio Infanzon has a great deal of in classroom experience as he teaches more ServSafe and TAP students than anyone in the state of Alaska.

We have a history of continuous improvement of our courses to best communicate the important rules of handling controlled products. The attached program can be up and running approximately 30 days after approval by the marijuana board.

Alaska Boys LLC for marketing purposes will be doing business as Best Price Alaska Marijuana Handlers Training and will have a website at cannabishandler.com.

I look forward to receiving your approval so we can move forward with services to Alaskan's seeking information on marijuana handling at a reasonable price.

Sincerely,

Dale Fox

Dale Fox, Alaska Boys LLC Managing Member
