Re: Retail Marijuana Store license #10037

Dear applicant,

The AMCO Office is reviewing the documents submitted for the transfer of ownership of the marijuana establishment license referenced above from Bryant D Thorp, Sole Proprietor, to 7107 Ventures, LLC. The following items need to be corrected and/or resubmitted.

- **MJ-00 Application Certifications**
  - If the DBA is staying Arctic Herbery, then no correction is needed. Otherwise the DBA will need to be corrected.

- **MJ-01 Operating Plan**
  - Page 2: FYI- although you are not explicitly saying that AMCO Enforcement will be logged in as "Visitors", I just wanted to let you know that the director, an enforcement agent, an employee of the board, or a peace officer acting in an official capacity are not considered "Visitors" for the purpose of logging in, etc.

- **MJ-02 Premises Diagram**
  - Please remove camera placements from the diagram, we are no longer requiring them.
  - Please very clearly outline the perimeter of the licensed premises for the retail and label it.

- **MJ-07 Public Notice Posting Affidavit**
  - If the DBA is staying Arctic Herbery, then no correction is needed. Otherwise the DBA will need to be corrected on MJ-17c, application reposted for 5 days, and I will need a new MJ-07.

- **MJ-08 Local Government Notice Affidavit**
  - If the DBA is staying Arctic Herbery, then no correction is needed. Otherwise the DBA will need to be corrected on MJ-17c, the local government and community council will need to be re-notified, and I will need a new MJ-08.

- **MJ-09 Statement of Financial Interest**
  - If the DBA is staying Arctic Herbery, then no correction is needed. Otherwise the DBA will need to be corrected.

- **MJ-17c License Transfer Application**
  - Page 1, section 2: the business license 1052316 is not for the DBA Arctic Herbery. 1052316 business license is for the DBA 7107 Ventures, LLC. By looking at the paperwork, it does not look like you are changing the DBA, so, if that is the case, then please obtain a business license for Arctic Herbery where that business license is linked to 7107 Ventures, LLC, the entity.

- **MJ-19 Creditors Affidavit**
  - The information that this form needs is the current licensee, in our system, Bryant D Thorp as Sole Proprietor'

- **Publisher's Affidavit**
  - If the DBA is staying Arctic Herbery, then no corrections is needed. Otherwise you will need to run a one-time correction ad with the correct DBA and I will need the publisher's affidavit.

- **Proof of Possession for Proposed Premises**
  - Please appropriately incorporate in the sublease a disclaimer that the sublessor will not remove from the licensed premises or take possession of marijuana and marijuana products, and that AMCO enforcement will be contacted (usually under the default section).

- **Food Safety Permit**
  - Will you be needing a new permit under the 7107 Ventures, LLC's name? Or do you already have one under the new name?

- **Applicant's Residency**
  - Bryant, will you be applying for the Permanent Fund Dividend this year? If you are, is it possible that you can do it immediately, then let me know? If you are not, please let me know right away so I can send you MJ-18 to fill out and return.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee. Additionally, there may be enforcement action against your marijuana establishment license.

Respectfully,

Jane Sawyer, Occupational Licensing Examiner
