Re: Limited Marijuana Cultivation Facility #14178

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.** Please be sure to read the entire letter.

- **MJ-01 Operating Plan**
  - Page 2: FYI- although you are not explicitly saying that AMCO Enforcement will be logged in as "Visitors", I just wanted to let you know that the director, an enforcement agent, an employee of the board, or a peace officer acting in an official capacity are not considered "Visitors" for the purpose of logging in, etc.
  - Page 15, second box: please re-view 3 AAC 306.470 and 3 AAC 306.475 and expand upon your answer by describing how you will comply with these regulations. ALSO, please provide a sample of the label(s) you will be using to comply with these regulations, including, if any, logo(s) you plan to use.

- **MJ-02 Premises Diagram**
  - Is it possible you can provide a broader google-type aerial view that shows a little more of what surrounds the property. ALSO, in the aerial view, please clearly identify the proposed premises and the surrounding buildings, business, etc.
  - On the facility diagram show the following:
    - Remove the cameras, please
    - What type of structure it is
    - The dimensions of the individual table in the under cultivation rooms
  - You also state you live or will live on-site, not sure if that means in the actual proposed premises or a different building, please just make it clear on the aerial view.

- **MJ-04 Cultivation Supplemental**
  - Page 4, first box: in this box you state you will disposing of a marijuana waste at the local waste facility, but on MJ-01, page 12, you state you will be composting or taking it to the waste facility. Will you please clarify by amending the answers on both MJ-04 and MJ-01 accordingly.
  - Page 6: just reiterating, please provide samples of the label(s) you will produce to comply with 3 AAC 306.470 and 3 AAC 306.475, including any logo(s) you intend to use.

- **Entity Documents**
  - Please put the effective date on the first page of the Operating Agreement.

- **Applicant's Residency**
  - Travis, will you be applying for the Permanent Fund Dividend this year? If so, is it possible that you can do it right away, then let me know. If you are not applying then let me know so I can send you an MJ-18.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Respectfully,

Jane Sawyer, Occupational Licensing Examiner
