EMPLOYMENT

Aleutian Pribilof Island Community Development Association (APICDA) seeks a highly effective and passionate Chief Executive Officer to successfully lead APICDA through its next phase of operational excellence as steward and champion for the organization's mission, vision and values.
The CEO, based in Juneau or Anchorage, reports to the Board of Directors. The CEO is responsible for the overall leadership, operation and performance of APICDA, is the steward of the company's culture, and ensures the development of individual and team capability. He or she leads the development, implementation, management and evaluation of all administration, program, operational and financial plans and activities of APICDA, while ensuring legal compliance. The CEO diligently establishes and builds collaborative relationships with the Board of Directors, employees, and external professional, political and community stakeholders. The ideal candidate for this position will demonstrate successful leadership experience in the Alaska seafood industry, management, and operations. Experience with nonprofit organizations, rural Alaska communities, government affairs, and Native organizations is preferred.
To obtain a copy of the CEO job description, please visit our website apicda.com/employment.
Send cover letter and resume no later than April 9 to: APICDA, Attn Loren Abbey, 717 K Street, Anchorage, AK 99501.

Bristol Bay Bud Company, LLC is applying under 3 AAC 306.300 for a new Retail Marijuana Store license, license #16915, doing business as BRISTOL BAY BUD COMPANY, located at 233 Airport Road, Dillingham, AK, 99576, UNITED STATES.
Interested persons may object to the application by submitting a written statement of reasons for the objection to their local government, the applicant, and the Alcohol & Marijuana Control Office (AMCO) not later than 30 days after the director has determined the application to be complete and has given written notice to the local government. Once an application is determined to be complete, the objection deadline and a copy of the application will be posted on AMCO's website at https://www.commerce.alaska.gov/web/amco. Pebble Project EIS

Pebble Project EIS – Notice of Public Meetings

The Alaska District, U.S. Army Corps of Engineers (USACE) invites the public to attend public scoping meetings for the Environmental Impact Statement (EIS) analysis for the proposed Pebble Project, which would be located 17 miles west/northwest of the villages of Iliamna, Newhalen, and Nondalton, Alaska.

The EIS will analyze potential impacts from the proposed mine that would produce copper, gold, and molybdenum from the Pebble porphyry deposit. The proposed project also includes a 188-mile natural gas pipeline from the Kenai Peninsula across Cook Inlet to the Mine Site, an Amakdedori Port facility on the western shore of Cook Inlet, and an 83 mile transportation corridor that includes an 18-mile ferry crossing of Lake Iliamna.

These meetings are an opportunity for members of the public to provide comments and suggestions to help determine important issues and help define a reasonable range of alternatives to evaluate in the EIS.

To learn more about scoping and the EIS, please visit the web site: www.PebbleProjectEIS.com.

Nushagak Cooperative, Inc. Project No. 14873-000

NOTICE OF PRELIMINARY PERMIT APPLICATION ACCEPTED FOR FILING AND SOLICITING COMMENTS, MOTIONS TO INTERVENE, AND COMPETING APPLICATIONS

(April 6, 2018)

On March 22, 2018, Nushagak Cooperative, Inc. filed an application for a preliminary permit, pursuant to section 4(f) of the Federal Power Act (FPA), proposing to study the feasibility of the Nuyakuk River Hydroelectric Project (Nuyakuk River Project or project) **to be located on the Nuyakuk River, near Dillingham, Alaska.** The sole purpose of a preliminary permit, if issued, is to grant the permit holder priority to file a license application during the permit term. A preliminary permit does not authorize the permit holder to perform any land-disturbing activities or otherwise enter upon lands or waters owned by others without the owners' express permission. The project would utilize approximately 218 acres of land owned by the U.S. Bureau of Land Management.

The proposed project would consist of the following new facilities: (1) a 100-foot-long, 20-foot-high intake structure; (2) a 1,200-foot-long, 50-foot-wide by 15-feet-tall concrete-lined power conduit; (3) a 100-foot-wide by 100-foot-long powerhouse forebay with a surface area of 0.23 acres; (4) a 100-foot-wide by 60-foot-long concrete powerhouse containing two 5 megawatt (MW) bulb-type turbines for a total installed capacity of 10 MW; (5) a 100-foot-wide, 500-foot-long tailrace discharging to the Nuyakuk River; (6) a project substation; (7) a 135-mile-long, 25 kilovolt transmission line extending from the substation to the communities of Aleknagik, Koliganek, Stuyahok, Ekwok, and Levelock; and (8) appurtenant facilities. The estimated annual generation of the Nuyakuk River Project would be 72.8 gigawatt-hours.

Applicant Contact: Mr. Bobby Armstrong, Nushagak Cooperative, Inc., PO Box 530, Dillingham, AK 99576; phone: (907) 842-5251.

FERC Contact: Julia Kolberg, phone: (202) 502-8261 or e-mail: Julia.kolberg@ferc.gov.

Deadline for filing comments, motions to intervene, competing applications (without notices of intent), or notices of intent to file competing applications: 60 days from the issuance of this notice. Competing applications and notices of intent must meet the requirements of 18 C.F.R. § 4.36. The Commission strongly encourages electronic filing. Please file comments, motions to intervene, notices of intent, and competing applications using the Commission's eFiling system at http://www.ferc.gov/docs-filing/efiling.asp. Commenters can submit brief comments up to 6,000 characters, without prior registration, using the eComment system at http://www.ferc.gov/docs-filing/ecomment.asp. You must include your name and contact information at the end of your comments. For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov (866) 208-3676 (toll free), or (202) 502-8659 (TTY). In lieu of electronic filing, please send a paper copy to: Secretary, Federal Energy Regulatory Commission, 888 First Street, NE, Washington, D.C. 20426. The first page of any filing should include docket number P-14873-000.

More information about this project, including a copy of the application, can be viewed or printed on the "eLibrary" link of Commission's website at http://www.ferc.gov/docs-filing/elibrary.asp.
