Good morning,

I have reviewed your corrections. Few more things need to be addressed:

- The sample you provided is incomplete. The sample label(s) needs to show the text you will use to comply with 3 AAC 306.470; 3 AAC 306.475; and 3 AAC 306.750. Please resubmit.

- MJ-02 Premises Diagram
  - On the diagrams, I need an outline, in color, that shows the licensed premises and restricted access area, and label it. Call me if you need clarification.

- Lease
  - The lease still does not show The Harvest Company, **LLC** as the tenant (this was requested in the original incomplete letter). You must include the "LLC" at the end of The Harvest Company anywhere the LLC is referenced as the tenant/lessee, so please look over your lease.
  - Page 8 of the lease must be signed by the tenant/lessee.

- Entity Documents
  - Your corrections did not include the LLC's Operating Agreement requested in the original incomplete letter. Submit the LLC's Operating Agreement.

Please note that this email does not extend your deadline to get this application deemed complete. That deadline is 5/01/2018.

Respectfully,

Jane P Sawyer
