Date:	Friday, February 09, 2018 10:15:00 AM

Seth,

I reviewed the corrections for the application mentioned in the subject line. You have little more work to do.

- MJ-01 Operating Plan:
  - Pages 2 & 3: please make these pages clearer to show you understand the difference between licensed premises and restricted access area in a retail marijuana store (restricted access area, in a retail marijuana store, is not intended for an everyday-customer to walk into).

- MJ-02 Premises Diagram:
  - Please provide a larger version of the proposed retail store including detailed interior layout, including delineated licensed premises and restricted access area (please label each delineation).

- MJ-08 Local Government Notice Affidavit:
  - Seth, your Local Government is the Muni of Anchorage. Your MJ-08 does not indicate you notified anyone at the Muni (by providing a copy of the Public Notice). The community council is not the local government. Please notify the Muni's Clerk and submit an MJ-08 for that.

- Master lease (from Egemo Properties, Inc. to The Turnion Corporation): I only need this one time, it's the same master lease for all three application.
  - Please date the lease AND have the landlord incorporate a statement or clause that states that the landlord/lessor will not remove or take possession of marijuana or marijuana products, and AMCO enforcement will be contacted (I did ask for this in my original incomplete letter).

- Sublease (from The Turnion Corporation to AK Provisions Corporation):
  - On section 19-Removal, this statement There shall be no removal of property from the premises until AMCO or an agent of the Marijuana Control Board has been contacted and given the Subleasee the authority to enter the restricted access areas. It's fine, except it really needs to specifically say that marijuana or marijuana product will not be

removed or taken possession of by the landlord/lessor.

- Entity Documents. Can you please provide your response to this in writing.
    - Is there a signature page for the corporation's bylaws? I did not see it, or is it not supposed to be signed?

- Residency:
    - Please let me know when you PFD has been resolved.

Respectfully,

Jane P Sawyer
