Subject: Objection ro Specific Application

Sirs

I wish to submit an objection to the application for the approval and placement of a Retail Marijuana Store on Rainbow Drive, Fairbanks AK. I am referring to application #12956 - Grass Station 49.

My objection is based upon location that is immediate proximity to a neighborhood. I believe that it is an extremely poor decision to allow a Retail Marijuana Store to be adjacent to a neighborhood. The school bus stop for the elementary, middle and high school is just a block away from the proposed location.

Alaska law allows for Retail Marijuana Stores. However retail outlets for marijuana do not belong in areas surrounded by families and children.

Thank you

John Cotter
