I did not send a letter to Mr. Evans. Thank you for letting me know that it is a requirement. I missed that. I will send a copy to Mr. Evans today.

Thank you for your time and your quick response. It is much appreciated. I will review your website again for some other facts that I may have missed in your Q & A section.

Have a good weekend.

Good morning,

We received the attached objection on May 19, 2017.

To answer your questions: this license has not been issued, it is not up for review, and it is up to the board to approve or deny a license.

Now, did you send a copy of your objection to the applicant as required by our regulation 3 AAC 306.065?

Thanks

Good Morning,

On May 17th I sent a registered letter to your office regarding the opposition to your office issuing a retail marijuana license to Gary Evans DBA Grass Station 49 located at 665 Rainbow Drive in Fairbanks, AK.

I have four questions: Did you receive my letter? (2) have you issued this license, if so, when? (3) If not, is this still up for review? (4) do you intend to issue the license?

I know this office is understaffed. I appreciate that you all are "doing more with less" (unfortunately, those of us in the workforce understand this concept all too well). Thank you for taking the time to answer my questions.

Sincerely,

Lynn Standley Coe
