Seth,

I reviewed the corrections for the application mentioned in the subject line. You have little more work to do.

- MJ-02 Premises Diagram:
  - Please provide a larger version of the proposed manufacturing facility including detailed interior layout.
  - The entire manufacturing facility should be designated as licensed premises and restricted access area.
  - I do need the diagrams that show the entire building with the three establishments but with corrections as appropriate.

- MJ-05 Product Manufacturing Supplemental:
  - Aww Snaps
    - On your ingredients label, please list the ingredients you have on the ingredient box.
  - CannaCapsule
    - The product name on page 4 & 5 is inconsistent.
    - The product type on this should be marijuana product not marijuana concentrate.
  - GiggleBurst
    - You only show a picture of one flavor of this candy. Just make sure that your other flavors' color will not be bright colors.
    - On your ingredients label please list the ingredients you have on the ingredients box.

- MJ-08 Local Government Notice Affidavit:
  - Seth, your Local Government is the Muni of Anchorage. Your MJ-08 does not indicate you notified anyone at the Muni (by providing a copy of the Public Notice). The community council is not the local government. Please notify the Muni's Clerk and submit an MJ-08 for that.

- Sublease:
  - I did not see a sublease between The Turnion Corporation and Turnagain Manufacturing Company (I may have missed if you sent it).

- Entity Documents. Can you please provide your response to this in

writing.

- Is there a signature page for the corporation's bylaws? I did not see it, or is it not supposed to be signed?

- Residency:
  - Please let me know when you PFD has been resolved.

Please note that this email does not extend the 90-day deadline to get this application deemed complete by our office. That deadline is 3/29/18. Additionally, if you wish to be on the agenda for the April meeting, this application will need to be deemed complete by 3/16/18.

Respectfully,

*Jane P Sawyer*
