☐ **Transfer of Ownership Application** ☒ **Transfer of Controlling Interest**

AMCO has received a complete application for a marijuana establishment within your jurisdiction. This notice is required under 3 AAC 306.045(c)(2). Application documents will be sent to you separately via ZendTo.

To protest the approval of this application pursuant to 3 AAC 306.060, you must furnish the director **and** the applicant with a clear and concise written statement of reasons for the protest within 60 days of the date of this notice, and provide AMCO proof of service of the protest upon the applicant. If the protest is a "conditional protest" as defined in 3 AAC 306.060(d)(2) and the application otherwise meets all the criteria set forth by the regulations, the Marijuana Control Board may approve the transfer, but require the applicant to show to the board's satisfaction that the requirements of the local government have been met before the director issues the license.

3 AAC 306.010, 3 AAC 306.080, and 3 AAC 306.250 provide that the board will deny an application for a marijuana establishment license if the board finds that the license is prohibited under AS 17.38 as a result of an ordinance or election conducted under AS 17.38 and 3 AAC 306.200, or when a local government protests an application on the grounds that the proposed licensed premises are located in a place within the local government where a local zoning ordinance prohibits the marijuana establishment, unless the local government has approved a variance from the local ordinance.

This application will be in front of the Marijuana Control Board at our November 13-15, 2019 meeting.

Sincerely,

Erika McConnell

Re: Application Status for License #11413

Dear Applicant:

AMCO has received your transfer application of a standard marijuana cultivation facility. Our staff has reviewed your application after receiving your application and required fees. Your application documents appear to be in order, and it has been determined that your application is complete for purposes of 3 AAC 306.025(d).

Your application will now be sent electronically, in its entirety, to your local government, your community council if your proposed premises is in Anchorage or certain locations in the Mat-Su Borough, and to any non-profit agencies who have requested notification of applications. The local government has 60 days to protest the issuance of your license or waive protest.

We must receive all necessary approvals such as local government, Department of Environmental Conservation, Fire Marshal, Department of Revenue, and Department of Labor before the transfer to the new ownership can be finalized. We must also wait for the criminal history report for each individual licensee who submitted fingerprint card(s).

Your application may be considered by the board while some approvals are still pending. However, the transfer will not be finalized or a license issued for the new ownership until all necessary approvals are received and a preliminary inspection of your premises by AMCO enforcement staff is completed.

Your application will be scheduled for the November 13-15, 2019 board meeting for consideration by the Marijuana Control Board. The meeting agenda will be posted on our website 7 days before the board meeting. **Your appearance at the meeting, either in-person or telephonic, is mandatory.** The telephone number for the meeting is 1-800-315-6338 code 69176#. Please feel free to contact us through the marijuana.licensing@alaska.gov email address if you have any questions.

Sincerely,

Erika McConnell

Here is the POPPP that was submitted with the renewal and the MJ-17c with the entity number not the license number.

Please let us know if there is anything else required to deem this transfer complete.

Thank you

> Good morning everyone,

I completed my review of the submitted corrections. Most have been made, but there are two issues still outstanding on this application.

1. On Page 1, Section 2 – Transferee Information of **Form MJ-17c**, the marijuana license number is listed in the section for the Alaska Entity # from the Division of Corporations, Business and Professional Licensing.

2. The commercial lease agreement between B&E Construction and Denali Dispensaries, LLC ended on November 1, 2017, so a current lease is required. This isn't the same lease that was submitted with this year's renewal application.
