Remember marijuana is a Federally Illegal Alaska State subsidized fiscal loser.

Holly Sheldon Lee has raised some valid points against High Expeditions who is now trying to intimidate objections to their business.
The MCB has failed to act!

Out of State Money is involved in High Expeditions and Alaska MCB Enforcement has done nothing.

Other states LIMIT licensing to one venue. If one grows, they can not sell or produce edibles and vice versa.
The MCB refuses to address such issues.
Other states do not allow out of state money in marijuana enterprises.
Alaska is not suppose to allow such money in a Federally Illegal Bysiness.

The MCB is gluing together Alaska marijuana rules as they go without a master plan.

Testing of marijuana is not consistent in Alaska.

High School use of cannabis is up as are school suspensions.

The MCB wants to lower taxes on marijuana while all other "sin" taxes are being raised.

Cannabis is a fiscal loser for Alaska. Marijuana is state subsidized and a fiscal mess!

Realize recreational marijuana is splitting communities and causing scenarios as below.

People with children are staying away from downtown Talkeetna.

This High Expeditions/Weidner letter may end up in Federal Court as Marijuana is Federally Illegal!
Joe McAneney and High Expeditions is completely out of line!
The MCB needs to address High Expeditions, out if state funds, percentage agreements, multiple venues for marijuana.

I met with Marijuana Enforcement quite some time ago and warned of High Expeditions intentions in Alaska, to control marijuana products and sales, using out of state funding and that is proving true!

Why no enforcement and decisions from the MCB on High Expeditions marijuana expansion in Alaska?

Re: Culpable Conduct of Holly Sheldon Lee as to The High Expedition Company, Joseph McAnerney and Dan Nelson.

Dear Addressees:

Please be advised that this law firm has been retained to formally notify you of the insistence by The High Expedition Company, Joseph McAnerney and Dan Nelson that Holly Sheldon Lee immediately cease and desist, and not repeat in the future the culpable conduct that has occurred as to their persons and/or entity. This includes, a long-standing course of conduct by Ms. Sheldon Lee engaging in malicious, knowing, intentional, grossly reckless and willfully indifferent conduct, constituting defamation, slander, intentional interference with business prospects and other culpable tortuous acts under the laws of the State of Alaska.

Ms. Sheldon Lee is well aware of her conduct in that regard, and the details do not need to be specifically set-out in this letter, but rest assured her victims are The High Expedition Company, Joseph McAnerney and Dan Nelson, and they are well aware of her actions and past and future consequences of same.

In that regard, on behalf of The High Expedition Company, Joseph McAnerney and Dan Nelson we immediately demand that you cease and desist in engaging in any such further conduct.

Moreover, you are given formal notice that The High Expedition Company, Joseph McAnerney and Dan Nelson reserve, preserve, and in no way, waive their rights to institute a lawsuit in the future, as to the conduct that has already occurred and certainly their rights to do so, as to any repeating of such conduct.

This would include, appropriate civil litigation under the laws of the State of Alaska seeking compensatory and punitive damages.

It would also include to the extent applicable, vis-a-vis any representations by Holly Sheldon Lee that she was not only speaking on her own behalf, but is associated with, or speaking on behalf of Sheldon Air Equipment, LLC, and/or Sheldon Air Service, LLC, seeking not only compensatory damages, but punitive damages against Holly Sheldon Lee personally, and punitive damages against Sheldon Air Equipment, LLC, and Sheldon Air Service, LLC, in wit sufficient damages to chill and deter any such conduct in the future, in light of the nature of the culpable conduct and the net worth and assets of the respective Defendants.

Any such judgment that is sought, would include a request to satisfy any judgment against the personal assets of Holly Sheldon Lee and the company assets of Sheldon Air Equipment, LLC, and/or Sheldon Air Services, LLC.

In the event there is such litigation forthcoming, we will insist via discovery obtaining any and all evidence via computer(s), including but not limited to any and all emails, social media posts, blog posts, or any other media outlets, letters, memorandum, etc., any and all such evidence via cell phone(s), including but not limited to voice messages, text messages, emails, social media posts, blog posts, or any other media outlets, letters, memorandum, etc., of any such

communications made by Holly Sheldon Lee, and/or by agents of Sheldon Air Equipment, LLC., and/or Sheldon Air Service, LLC., and we request and insist that you not destroy any such information, and if ligation is forthcoming we will take the position that if you do so destroy any such information, it will constitute spoliation of evidence, which may well support additional cause(s) of action.

Further, we ask and insist that you not try to transfer or secret any assets that now exist or do so in order to avoid civil litigation or judgment, or execution, and if you do so, we will take the position that any such efforts can be nullified to satisfy judgment.

The clearly culpable statements, publications, and re-publications by Ms. Sheldon Lee of the torturous statements are exceptionally numerous, but she is well aware of same.

This letter is being transmitted by email and Certified U.S. Mail and regular U.S. Mail to insure receipt of same.

Concerning your decision to cease and desist from this conduct, which I trust will be an agreement to do so, and any concerns you may have about potential litigation you may wish to consult independent counsel, and I urge you to do so, to avoid any further harm to Mr. McAneney or Mr. Nelson or their business The High Expedition Company, or any co-owners or investors in the business.

Trusting that you will immediately cease and desist, as requested, and demanded,

I remain,

Sincerely yours,
