Hello,

My name is Morgan Lau-sed and I sent you a handlers permit application a week ago and I still do not see it has been received. the tracking label said it was given to the front desk person and I was just wondering if I can get any kind of confirmation.

I will send it again if I need to. Please let me know by email alaskanmo32@gmail.com
My application number is 16628

Thank you very much, I understand you are very busy.
