Can you add Jason to the list of people who want to testify before the MCB, and then email it to me? Thanks!

Hi Erika. As you know, I was planning to make a public comment during the meeting this week about the testing issue. I just went back to make sure that I had submitted my intention to provide public comment, and I see that I accidentally sent it to the Marijuana Licensing email address instead of the main AMCO email address. I just wanted to make sure that wasn't a problem.

Thanks,
Jason
