Eric,

On page 1 of MJ-01, you removed the mailing address from the mailing address section. You DO need to have a mailing address here. You were only supposed to remove the P.O. Box information from the Premises Address, not the mailing address.

Please fix that one page, and only send me back the page (not the entire document).

That is all I need from you.

This email does not extend the 90-day deadline to complete this application. That deadline is 7/12/18. If you wish for this application to be considered by the board at our May meeting, I need the corrected page no later than tomorrow.

Thank you

Jane P Sawyer
