Jesse,

I reviewed your corrections. More needs to be done. Please note that this email does not extend the 90-day deadline to get this application complete or you will have to start from scratch. That deadline is 4/29/18, please address them completely and accurately.

- On the corrected pages of MJ-01:
  - Page 5, remove the "+" box/sign in the first box. Basically, you need to adjust the font to smaller as to not have that box. I have to convert them into non-fillable pdfs when I get them and the text stops.
  - Page 12: the certification box was not marked. AND, again, the "+" sign/box needs to be removed.
  - Page 15: the warning statements are not verbatim to the regulations. Please revisit the regulations to make sure your statements are verbatim, can't stress that enough.

- On the new diagrams you submitted:
  - The as-built, please clearly label the proposed cultivation
  - On the google-like aerial diagram, the labels are not easy to read. Please re-do.
  - On the diagram(s) of the actual cultivation, the dimensions are not congruent with page 2 of MJ-04 (after you submitted brand new diagrams with different dimension). Please make sure that your new diagrams are consistent with page 2 of MJ-04. Correct the page on MJ-04 accordingly. ALSO, please make the dimensions easy to understand on the diagram. This is a limited cultivation application thus it must be very clear of the dimension that will be under cultivation. For example, the Vegetative/Mom Cultivation room does not have the dimensions.

- On the corrected pages of MJ-04:
  - Page 2, as mentioned above, your description in this box is not congruent with your new diagrams anymore. Please correct accordingly.
  - Page 4, remove the "+" box/sign in the first box. Basically, you need to adjust the font to smaller as to not have that box. I have to convert them into non-fillable pdfs when I get them and the

text stops.

- Commercial Lease
  - The tenant of the proposed premises should be Jesse Sherwood as Sole Proprietor (as mentioned on the original incomplete letter), not the name of your business. Please submit a lease, with all the requirements outlined in the original incomplete letter, that lists Jesse Sherwood as the tenant.

Respectfully,

Jane P Sawyer
