Good afternoon,

I have reviewed the corrections that were submitted. There are further corrections needed:

-MJ-00:

- Page 1, Section 3 on both MJ-00s: Please include the license types that you own or plan to own.

-MJ-01:

- Page 3: Circling Agent and drawing an arrow is inadequate. Please remove the word "Agent" from the area for the visitor badge, and include the word "Agent" in the area for the Licensee and Employee badge.

-MJ-02:

- For the two diagrams provided:
  - On both diagrams, please ***outline*** the entire perimeter of the proposed licensed premises ***and*** restricted access area (use separate colors). **OR**, include "and Licensed Premises" along with Restricted Access Area. Additionally, on the second floor diagram, please change the word "Zone" to "Area".
  - Remove the cameras from all of the submitted diagrams.
  - Clearly identify all doors, walls (especially by the open ceiling to clarify if the wall goes all the way to the ceiling), and storage areas.
  - The Suite B for the Hydroponics and Garden Supply contemplates that there is a Suite A. Please correct accordingly.

-Proof of Possession for Proposed Premises:

- The Lease provided contemplates a Suite A, based on the statement of, "excluding Suit B". Please correct accordingly.

Please send any documents/correspondence to marijuana.licensing@alaska.gov.

Respectfully,
