Re: Retail Marijuana Store #13382

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.** Please be sure to read the entire letter.

- **MJ-01 Operating Plan**
  - Page 3: FYI- although you are not explicitly saying that AMCO Enforcement will be logged in as "Visitors", I just wanted to let you know that the director, an enforcement agent, an employee of the board, or a peace officer acting in an official capacity are not considered "Visitors" for the purpose of logging in, etc.

- **MJ-02 Premises Diagram**
  - The diagram for the first floor states that the door to the basement is "Restricted Access.." Now, what I need clarification on is: is this "Restricted" as in "Only employees beyond this point"? type of thing, or, does it mean that is a Restricted Access Area as defined under our regulations for the purpose of logging, escorting, issuing visitor's badge, etc. It does have to be part of the licensed premises, but I am just confused on whether you are designating it as a Restricted Access Area as defined on our regulations because you are marking the basement as licensed premises (in yellow), and only two rooms as Restricted Access Areas. Please correct the diagram(s) accordingly.
  - The other question I have about the basement is that it is not clear what the use of it will be, you may need to actually have the entire basement as Restricted Access Area.
  - What is that room in the basement that is not labeled, is the gap a door? Please clarify.
  - Where do the "Up" steps lead up to, on the first floor? What is the unlinked gap by the "Up" steps?
  - Please remove the cameras from the diagrams, and glass break sensors.

- **Proof of Possession for Proposed Premises**
  - Unless I am not seeing it, the sublease does not have the clause that the sub-lessor will not remove from the premises or take possession of marijuana or marijuana products, and AMCO will be contacted. Please amend the sublease accordingly.

It is very important that you submit the above corrections and/or documents as soon as possible. AMCO staff needs adequate time to review the documents and determine if additional corrections and/or documents are necessary to complete your application. If you fail to complete this application within 90 days of the date of this notice, you must file a new application and pay a new fee, per 3 AAC 306.025(f).

Respectfully,
