Re: Response to Incomplete Letter for East Rip No. 13382

AMCO Team:

Thank you for your correspondence dated March 29, 2018. Please find the following attachments and/or statements to address your incomplete items:

- MJ-01 Operating Plan
  - Page 3, Box 1 – this section has been revised to exclude agents of the MCB as "visitors"
- MJ-02 Premises Diagram
  - Cameras have been removed from the diagrams
  - Revised diagrams are attached – the wall locations changed slightly during construction
  - The up arrow from the staircase has been removed, this was pointing to a separate outside entrance to an un-licensed area above the retail store. There is no access to that area from the retail store unit and no access to the licensed premises from that area.
  - Restricted access area in basement clarified – no marijuana products or marijuana will be in the basement, but the office will be which houses the security equipment and records, and therefore that is designated as restricted access.

Received by AMCO 4.10.18

- POPPP
    - An amendment to the Sublease is attached with the requested language

Sincerely,

Jana D. Weltzin
